Added image '/home/fwick/intelligent_systems/cat_dog.jpg'
 The image shows a scene of two dogs, a corgi and a cat, in an outdoor setting. Both animals are standing together
on the grass, with the cat looking towards the camera with its mouth open. In the background, there is a body of
water, possibly a lake or pond, and trees indicating it might be spring or summer given the green foliage. The
overall scene suggests a peaceful coexistence between the two animals in a natural environment.
